**“Strengthening Churches to BE the Church: Equip, Encourage, Empower”**

During this difficult season we all are in, please remember to reach out and communicate and pray for each other.

Also, pray for those that are on the front lines caring for each one of us. They risk their own lives every day to help those in need.

Some of them even catch the COVID-19 virus from caring for one of us.

Some have even lost their lives because they are caring for those affected by this dangerous virus.

PRAYER changes things. We have a great GOD!
